Membership information & payment Details

Membership

(For more information, see the Constitution at 091labs.com)

Initially, membership is offered on a probationary basis, which can last up to three months. Probationary members still get full use of the space (when there is a full member present) and reduced workshop/event costs. Effectively the only difference between a probationary and a full member is not having a key to the space and not having a vote.

Fees

Membership rates are currently €30.00 per month. We also offer a reduced rate of €20.00 per month on a case-by-case basis. If you can not afford the normal rate please talk to us about paying the reduced rate.

The preferred payment is by standing order. You can also make your initial payment using the lodgement slip (attached) or through online banking. We also accept Paypal for initial payments.

Note: Standing orders and Paypal takes 3 to 5 days to clear. **All fees should be paid by the 12th of the month or earlier.** If this is not possible please let us know in advance.

For transparency, our financial records are open to viewing by members.
